Make LOCATING your *branches easy!*
iConnect EXTRA

Branch Locator

iConnect Branch Roster Integration with Your Website

This tool provides you with a sophisticated and flexible branch locator, insight into website traffic and the ability to make changes from a single platform. It is easy to configure, embeds into any website, and can be customized to fit your brand.

Easy to Use Locator for Your Website!

- Updates made through your iConnect branch roster are automatically modified in the branch locator
- Quick and easy installation into your current website
- Includes an array of features; zip code search, branch display by mileage radius, ability to create multiple branch specific links and is mobile friendly
- Options to customize to fit your current website's look and feel
- Learn how your customers interact with the branch locator with useful behavior analytics

A Branch Locator Tool for Every Website!

The Branch Locator Widget directs your customers to your branches. With options to enter a zip code and adjust the mileage radius, the search tool makes it easy for your customer to find the location they want. This tool can be embedded into any website with ease.

The locator is fully customizable to fit your website's design and your brand. You will be able to choose the button and branch pin colors for it to seamlessly blend into your existing website.

All customer traffic is monitored allowing you to make informed decisions. Individual activity can be viewed helping you learn how your customers interact with your branch locator.

iConnect is D2K's proprietary intranet platform with applications designed to help you successfully manage your marketing program and streamline communication to your company's team members. Easy-to-use portals allow management of documents, calendars and important company information from a single login. Security is a core value for D2K Corp and iConnect has that covered for you — with user level access, encrypted data storage, 24-7 security monitoring, and secure data transfers — **just the peace of mind you need.**
