

CUSTOMIZE forms for *your* needs!

Form Builder

D2K iConnect - Better Manage Your Business with Form Builder
Exciting new tool that allows you to build online forms for internal use and archived forever in iConnect.

How can iConnect Form Builder improve your business?

- Options to build any form from scratch or upload current PDF forms for use online
- Adaptive search functionality and ability to download individual or multiple forms at once
- Track completion of required forms across all locations
- Completion notifications to department individuals or groups
- Existing interface access for all current iConnect users

SIMPLIFY YOUR WORKLOAD

Every day your company is liable for making sure employees have forms signed and stored for easy access by management, accounting & human resources.

iConnect Form Builder provides the secure environment for all your common forms & they are easily accessed across all locations!

Form Builder can help you manage all the Federal & State tax, hiring, and insurance forms. It allows you to share training aids, policy sharing, and handbooks in one easy location.

iConnect is D2K's proprietary intranet platform with applications designed to help you successfully manage your marketing program and streamline communication to your company's team members. Easy-to-use portals allow management of documents, calendars and important company information from a single login. Security is a core value for D2K Corp and iConnect has that covered for you – with user level access, encrypted data storage, 24-7 security monitoring, and secure data transfers – **just the peace of mind you need.**
