

MLA Website Frustrating?
We Have the Solution!

MLA Management Center

D2K iConnect - Easy-to-Use & Time-Saving MLA Center

D2K Corp has an easy-to-use iConnect tool ready to alleviate the stress of login issues along with the added security of archiving certificate data.

iConnect's MLA Management Center can Make Your Business More Efficient

- Identify active military customers and ability to provide instructions to your branches on how to handle these accounts
- Convenience of using your iConnect log-in; No separate log-in is needed
- Secure and detailed archival system for certificates to review whenever needed, or regulators them
- Search by branch, name, SS#, and more
- Search for active and paid customers
- Monthly certificate uploads

Stop Experiencing Delays with the Military Lending Act Website

With difficulties accessing the Military Lending Act website, D2K Corp has created an easy-to-use iConnect tool ready to alleviate the stress of log-in issues along with the added security of archiving certificate data. The variety of search fields will make finding information more efficient than ever. Your team will have access to a familiar platform which will make processes easier to understand and have D2K's tech support via the support e-mail address, info@d2kcorp.com.

E-mail us today to link your iConnect system to this time-saving Military Lending Act Management Center!

Not familiar with iConnect yet? Schedule a demonstration so you can see how iConnect can help you and your team "connect" even better.

iConnect is D2K's proprietary intranet platform with applications designed to help you successfully manage your marketing program and streamline communication to your company's team members. Easy-to-use portals allow management of documents, calendars and important company information from a single login. Security is a core value for D2K Corp and iConnect has that covered for you – with user level access, encrypted data storage, 24-7 security monitoring, and secure data transfers – just the peace of mind you need.
