

# IMPROVE your application process!

## Online Applications

### D2K iConnect - Customers Can Apply Online 24/7

Connecting with potential customers has never been easier with the D2K Online Application.

#### How Do You Connect Online Customers to Your Business?

- Simple application where you can control the questions asked
- Mobile-friendly and an option for a bilingual application
- Personalize the application and automated responses
- Immediate decision email notifications sent to applicants
- Online Application Center to access application information, record decisions, and real-time performance reports
- Option for integration into your loan origination system

#### MAKING LOANS EASY FOR YOUR CUSTOMERS!

Your clients are online and connected for every aspect of their life - family, work, paying bills - all from their mobile devices. Tapping into this mobile market is a necessity and the D2K Corp Online Application Center is your link between potential customers and your branches.

An easy-to-use application combined with automatic email notifications will increase your branch turnaround times. Loans can be processed, printed, and stored in an instant. Reporting tools within the Online Application Center allows for easy monitoring from any office.

Keep connected from application to closing with the D2K Online Application Center in the easy-to-use, secure iConnect system you can trust.

iConnect is D2K's proprietary intranet platform with applications designed to help you successfully manage your marketing program and streamline communication to your company's team members. Easy-to-use portals allow management of documents, calendars and important company information from a single login. Security is a core value for D2K Corp and iConnect has that covered for you – with user level access, encrypted data storage, 24-7 security monitoring, and secure data transfers – **just the peace of mind you need.**
